

PET OF THE WEEK

HENRIK

ANIMAL ID#: A1810587

Meet Henrik! His name is German, meaning "ruler of the home" and he sure does believe he's the happy ruler of the shelter! Henrik arrived at OC Animal Care as a nervous stray. However, after becoming familiar to his environment and our staff, Henrik is eager for pets and walks! His happy-go-lucky demeanor is contagious, and he likes to be petted whenever and wherever.

Henrik is a friendly soul who wants nothing more than to spend the rest of his furry life with a fur-ever hooman. Since he may take some time to get used to new surroundings, we recommend a home with only adults. If you would like to adopt Henrik, please call (714) 935-6848 and mention Animal ID A1810587.
