

PET OF THE WEEK

REMMICK

ANIMAL ID#: A1913116

Remmick is the total package: a 6-year-old, neutered, 92-pound Pit Bull/Labrador Retriever mix with a handsome red coat and plenty of personality. This potty-trained pup is ready to find a home of his own. Despite his large size, Remmick is an easy going, affectionate boy who enjoys attention and spending time with those around him.

One of Remmick's (A1913116) favorite pastimes is flopping onto his back for belly rubs. He'll happily roll around, scratch his back, and soak up all the affection he can get before settling in for a cozy nap. Best suited for an adult-only home, Remmick is looking for a place where he can be the center of attention. If you're searching for a loyal companion with a goofy personality, good manners, and a love for belly rubs, Remmick may be the perfect match for you
